Congressional Budget Office
2nd & D St., S.W.
Room H2456
Washington, DC 20515

Dear Mr. Beeman:

We are pleased to honor the National Business Economic Issues Council's request for a briefing and to confirm it has been scheduled to take place at CIA Headquarters on Wednesday, 2 February from 3:30-4:30 p.m. We ask that you arrive at approximately 3:15 p.m. Chairman of the National Intelligence Council Henry S. Rowen will brief your group on worldwide political and economic developments. Enclosed is a biography of Mr. Rowen as well as a map with directions to the Central Intelligence Agency. If you have any pamphlets or brochures describing the Council, we would appreciate receiving them.

At least ten days in advance of your visit I must receive an alphabetized list of all attendees with full name, home address, date and place of birth, and social security number. Please include a brief statement from you that all attendees are U.S. citizens. The Agency cannot admit foreign nationals. It would be helpful to the speaker to know the individuals' corporate affiliations.

Please let me know if any handicapped persons will attend so that I can make special arrangements to assist them. Some form of identification must be shown to the receptionist upon entering the building. Since we have limited parking facilities, I'll need to know the number and description of vehicles you will be arriving in. Buses should plan to stay for the duration of your visit; otherwise, special arrangements must be made with the gate. Please notify me in advance of your visit so I may take care of any arrangements to be made.

The Agency allows neither hazardous equipment--such as weapons or explosives--nor cameras, recording devices, or radio transmitters to be brought onto CIA premises.

Mr. William Beeman
